

House rules waste recycling point

Access

- Milieustraat Acht and Lodewijkstraat are accessible to residents of Eindhoven (from 18 years) with a valid Cure environmental pass. The waste recycling point is intended for private individuals.
- The waste recycling points are only accessed with a valid Cure environmental pass. The old city pass is no longer accepted.
- Companies are not allowed to use waste recycling points in Eindhoven
- You can only pay with debit card on the waste recycling point.

Waste materials and separation

- An employee of the waste recycling point will judge the delivered waste materials. Make sure the material is visible upon arrival. This must always be household waste.
- You can hand in a maximum of 2m³ of waste per visit. If you have more than 2m³ of waste, the rules for industrial waste apply.
- You must separate the waste and deposit it in the assigned containers/cisterns on the waste recycling point.
- There are a number of waste materials that you can't deposit. Check ['All about waste'](#) for more information.
- It is forbidden to place or deposit waste on or around the waste recycling point in a manner other than that stipulated in these rules.

On the terrain

- The allowed maximum speed on the waste recycling point is 15 km per hour.
- The waste recycling point is accessible to vehicles whose total weight including payload is max. 3500 kilos. The maximum height of permitted vehicles is 2.40 meters and the maximum length is 10 meters.
- Tractors and trucks are not allowed on the terrain.
- Children under 12 years old are not allowed to leave the vehicle.
- Turn off the engine of your vehicle while waiting and dumping/unloading waste.
- The Regulations for Traffic Rules and Traffic Signs apply on the site.

General rules

- Always follow the directions and instructions of the employees.
- The administrator may ask you for your ID. The following data can be registered:
 - Name, address and place of residence of the visitor
 - Vehicle registration number

- Composition and quantity of the waste offered
- It is not allowed to:

- Smoke on the premises
- Make film and/or image material without permission
- Bring pets to the premises
- Take goods or waste materials from the recycling point
- Demolish on the terrain
- Give tips and/or gifts to employees
- Entering the waste recycling point is at your own risk. The municipality of Eindhoven and Cure Afvalbeheer are not liable for any damage.
