

Waste in short

City of Eindhoven

On our way to a zero waste society!

organic waste

vegetable- fruit and garden waste, like: peels of fruit/ potatoes, leaves and branches

House > Green container
Gets picked up at your home.
Apartment > Underground household waste container in your neighbourhood.
Use a citypass to open.

household waste

everything that doesn't get collected separately, like Hoover bags, cigarettes, diapers, feces of cats or dogs

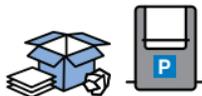

House > Grey container
Apartment > Underground household waste container in your neighbourhood.
Use a citypass to open.

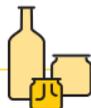

paper

flyers, newspapers, letters, envelopes, cardboard boxes and packaging

Put it outside your home in cardboard boxes or tied with rope. No collection for paper waste? Use a paper container in your neighborhood.

glass

glass packaging such as wine/beer bottles, jars of vegetables and sauces

Put into a (underground) glass container in your neighbourhood. Please separate the colours green, brown and white.

PBD

plastic packaging, cans and drinks cartons, such as empty bags, plastic bottles, cartons of dairy and juice

Take it to the (underground) PBD/plastic container in your neighbourhood. Don't put other plastics in the container, like toys or buckets.

textile

clothes (including worn-out clothes), bedding, shoes, accessories, stuffed animals

Take it to the (underground) textile container in your neighbourhood. Make sure the bag is closed off and isn't too big to fit.

no pass?

Apply for one at the municipality

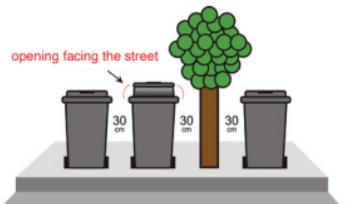

There is a lot more to know about waste recycling!

Find 'All about waste' in our Cure Afval App or visit the website of Cure Afvalbeheer.

Please place your container on the street:

- With a closed lid
- With the opening facing the street
- Max. 50 cm from the curb
- With min. 30 cm free space surrounding the container

Full or faulty?

Report containercode via website, telephone number 040 - 2500 130 or the Buitenbeheer App.

No garbage outside container!

You can get a fine for this!
